

Adobe Experience Manager

Correspondence Management

Description

The Correspondence Management Solution centralizes and manages the creation, assembly and delivery of secure, personalized, and interactive correspondences. It enables you to quickly assemble correspondence from both pre-approved and custom-authored content in a streamlined process from creation to archival. As a result, your customers get the right communication at the right time in the right way: timely, accurate, convenient, secure, and relevant. Your business maximizes the value of customer interactions and minimizes cost and risk with a process that is streamlined for ease, speed, and productivity.
